Item 1.01: Entry into a Material Definitive Agreement

On December 5, 2005, Idera Pharmaceuticals, Inc. (the “Company”) entered into an employment agreement with Robert W. Karr, M.D. Under the agreement, Dr. Karr will serve as President of the Company for a two-year term ending on December 5, 2007, which term will automatically be extended for an additional year on such date and on an annual basis thereafter unless either party provides prior notice otherwise. Under the agreement, Dr. Karr is entitled to receive an annual base salary of \$375,000 and an annual bonus determined by the Compensation Committee of the Company’s Board of Directors, which bonus for the fiscal year ending December 31, 2006 will equal between 10% and 50% of his annual base salary.

Under the agreement, the Company granted Dr. Karr options, under the Company’s 2005 Stock Incentive Plan, to purchase 1,000,000 shares of common stock at an exercise price of \$0.60 per share. These options vest quarterly over a four-year period with the first installment vesting on March 5, 2006.

If Dr. Karr’s employment is terminated by the Company without cause or by him for good reason, the Company will pay Dr. Karr his base salary as severance for a period ending on the first anniversary of his termination date (the “Severance Payment”). The Company has also agreed to continue to provide Dr. Karr with certain benefits for a period ending on the earlier of the final day of the term of the agreement in effect immediately prior to such termination and the first anniversary of his termination date, except to the extent another employer provides Dr. Karr with comparable benefits. Additionally, any stock options or other equity incentive awards previously granted to Dr. Karr will vest as of the termination date to the extent such options or equity incentive awards would have vested had he continued to be an employee of the Company until the first anniversary of his termination date.

If Dr. Karr’s employment is terminated by him for good reason or by the Company without cause in connection with, or within one year after, a change in control of the Company, the Company will pay Dr. Karr in lieu of the Severance Payment a lump sum cash payment equal to his base salary. The vesting of all stock options held by Dr. Karr will be accelerated in full upon the occurrence of a change in control of the Company.

Dr. Karr has agreed that during his employment with the Company and for a one-year period thereafter, he will not hire or attempt to hire any employee of the Company or compete with the Company.
